1 having -- giving people IDs or making sure they have
2 them is that that's not true. The government is
3 responsible if the government is requiring it, and by
4 using his method that some entity out there is just
5 going to help people to get a voter -- a picture ID
6 leaves open to fraud and abuse and you're creating
7 another problem because what's to say that one party or
8 another, one entity or another one, party boss, one job
9 boss, isn't go to say, well, I'll get your Voter ID for
10 you so that you have one, but then, you know, you kind
11 of need to vote our way.

12 And so if the government wants to require
13 it, the government either needs to make sure that the
14 people who can afford to get it like we do, or that
15 those who can't are able to get it without being coerced
16 or cajoled or assisted by some other entity who might
17 want to courier their favor. That's what all -- That's
18 all I have to say.

19 CHAIRMAN SMITH: Any questions of
20 Ms. Edelman regarding House Bill 4421 by Dunnam? Don't
21 see any. Thank you very much. The chair recognizes
22 Patti Edelman to --

23 MS. EDELMAN: No, I'm done.
